From (Name) Sri Rao Bahadur L. Venkatakrishna Ayyar, B.A., B.E.,
(Designation) Chief Engineer, P.W.D. (General)

To The Secretary to the Government of Madras,

PUBLIC WORKS *Department.*

Sir,

In G.O. No.801 P.W.D. dated 26-3-41, a total number of six supervisors (besides other staff) has been sanctioned for the Plassey Barracks work, for varying periods as shown below:

(i) 3 Supervisors for a period of 6 months from 4-3-41 F.N.(i.e. upto 4-9-41)

(ii) 1 Supervisor for a period of 5 months from date of employment (from or after 4-3-41)(This Supervisor was employed from 10-3-41 F.N. and the sanction will therefore expire on 9-8-41 AN

& (iii) 2 Supervisors for a period of 2 months from date of employment (from or after 4-3-41). Of these two supervisors, one joined duty on 10-3-41 F.N. and the other on 13-3-41 F.N. The sanction to one of these posts (6th Supervisor) will therefore ~~be~~ expire on 9-5-41 A.N. and to the other (5th Supervisor) on 12-5-41 A.N.

2. The Executive Engineer, Bellary Division now reports that one of the Supervisors employed on the work has been

been an leave from 10-4-41, that no substitute has been employed in his place as he first went on casual leave etc., that as the sanction to one of the 6 posts is due to expire shortly i.e. on 9-5-41 A.N., there is no use of posting a substitute now and that it would, therefore, be necessary to extend the period of sanction* to the 5th Supervisor's post by one month to make up for the time lost and the work retarded on account of the supervisor's going on leave as mentioned above. (the period of extension viz. one month - proposed, is equivalent to the period of absence of the supervisor from 10-4-41 to 9-5-41 A.N. the date of expiry of sanction to one of the posts). The Superintending Engineer, Bezwada Circle recommends the Executive Engineer's proposal and requests sanction to the retention of the 5th supervisor for a period of one month more from 12-5-41 A.N.(the date of expiry of the existing sanction) i.e. upto 12-6-41 A.N.

* Existing Sanction is upto 12.5.41 A.N.

3. In the circumstances reported, I request that necessary sanction may be accorded, as applied for by the Executive Engineer and recommended by the Superintending Engineer. The Superintending Engineer will be authorised to continue the 5th supervisor beyond 12-5-41 A.N. in anticipation of sanction. This may kindly be approved.
